About Us

Established as a **Proprietor** firm in the year **2022**, we “**Adarsh Bagwani Paudhshala**” are a leading **Retail Trader, Manufacturer and Wholesaler** of a wide range of **Fruit Plant, Flower Plant, Agricultural Fertilizer**, etc. Our Nursery is a unique essence of greenery, freshness, immortality and indeed a green revolution. We are very proud to introduce the reputed green plant nursery. Our nursery is led by Mr. Ramjeet Maurya and sons having a practical experience of many years in the landscaping and horticulture. With his able assistance he is managing the group of Landscape Architects, Horticulturist and other staff. You may wish to take our maintenance plan which will ensure that your garden is not just kept up to the high standard of the day it was created but it will improve with age. Years ago Mr. Maurya a visionary man with dreams to be a pioneer in Landscaping & plant nursery industry in India, started a small nursery in Jaunpur and grown their services up-to the client satisfaction level. To improve our nursery day by day, we follow Advanced Gardening Techniques.
